

Kerabeaute Prolog™ Hair Growth & Rejuvenation Scalp Oil

A NEW ERA OF HAIR REVIVAL

Kerabeaute Prolog transcends conventional hair oils as an exquisite union of advanced science and botanical intelligence. Meticulously formulated, it nourishes the scalp, fortifies each strand, and restores the hair follicle to its natural vitality. At its heart lies Follicol™, our signature bioactive complex designed to support fuller, healthier-looking hair from root to tip.

The Art of Hair Revival

The Art of Formulation

- Follicol™ – The Signature Innovation: A refined synergy of Cocos nucifera and Brassica juncea bioactives designed to deeply nourish the scalp and elevate follicular vitality.
- Anagain™: A botanical innovation that reactivates the natural growth cycle for revitalized, voluminous hair.
- RCP Complex (Redensyl, Capixyl & Procapil): A next-generation system to awaken vitality at the root, minimize hair fall, and improve anchorage.
- Capilia Longa: A potent plant-derived active that stimulates follicles, supporting naturally denser regrowth.
- Botanical Elixirs: Sunflower and Rice Bran oils replenish moisture and impart a luminous sheen.

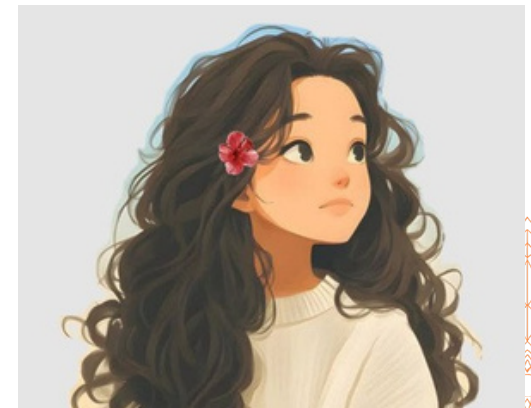

The Ritual of Revival

Relax: Dispense a few drops into your palms and inhale its subtle, earthy elegance.

Massage: Massage gently into the scalp –transforming care into a moment of mindful indulgence.

Absorb: Leave overnight, or for 2–3 to hours, allowing the bioactives perform their quiet alchemy.

Cleanse: Wash with a mild shampoo and step forward with confidence.
